Subject: RE: Followup on Hing and OT

Good morning Mark,
 Thank you for following up.
 I wasn't aware that there are several pending grievances on this topic so in light of that it would be inappropriate for me to provide the guidance documents.

Thank you for your understanding.

Subject: Followup on Hing and OT

Good afternoon Lisa,

I am just following up on the topic of Hing and OT call backs that we discussed at the LMCC. You were going to forward us the document provided by LR on their guidance when to call people in and when to use hold overs. Can we please get that sent to us?

Thank you
